Creating the vehicle for you.

Whatever you use your vehicle for, from kayaking to hill walking, camping to cycling or simply moving people around town as part of your business, we have the accessories to meet your needs. All our vehicles are already well appointed but our range of accessories will help individualise yours.

Our range of Life and Tour vehicles extends from the versatile Caddy Maxi Life to the luxurious Caravelle people carrier through to the ultimate in leisure vehicles, the California. The vast array of accessories on offer undergo strict approval to ensure they will work in perfect harmony with your Volkswagen. Add to that our dedicated network of Van Centres and you can be assured of total peace of mind.

All of the prices shown in the brochure exclude cost for fitting to the vehicle (where applicable). Please ask your local Volkswagen Van Centre for a fully fitted price.

Making family life more exciting.

Robust, economical and practical, the Caddy Maxi Life is the essential family vehicle, designed to make any journey a rewarding experience. Now, the world of the Caddy Maxi Life just got a whole lot more exciting, with a range of accessories that enables you to individualise it to your exact requirements.

Features such as alloy wheels, chrome grille cappings and a lower front spoiler add style to the exterior, while a choice of leather seats lets you create a truly luxurious interior. And when it comes to media accessories, you're spoilt for choice, with such items as a Bluetooth Touch Phone kit and iPod connector.

Life's one big adventure thanks to a wide range of touring accessories that includes a ski & snowboard holder, tailgate bicycle holder and kayak holder, while a towbar will maximise load capability. A selection of safety accessories helps keep passengers and contents safe, and a range of interior and exterior protective items will minimise wear and tear. So, select what's right for you and visit your local Van Centre, who can also provide a fitting service. It couldn't be easier.

16" 'Sima' alloy wheel.
6J x 16 alloy wheel requires 205/55 R16 tyres.

17" 'Sportline' alloy wheel.
7J x 17 alloy wheel requires 225/45Z R17 tyres.

Tyres not included.

17" 'CMS' black alloy wheel.
7J x 17 alloy wheel requires 225/45 R17 tyres.

Chrome grille cappings.
Style the front of your van by adding chrome cappings to the grille.

Only suitable for use in conjunction with the Caddy appearance pack.
For Caddy Maxi Life 2008 model year onwards.

Lower front spoiler.
Make the front of your van look the part with a lower front spoiler. Available in black, red, silver or primed.

Only suitable for use in conjunction with the Caddy appearance pack.
For Caddy Maxi Life 2008 model year onwards.

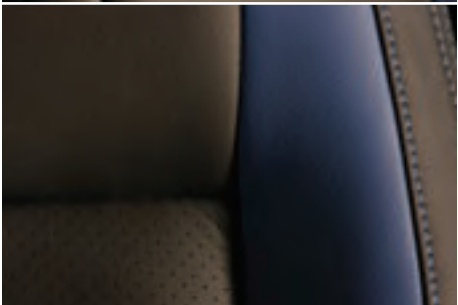

Lower bumper chrome grille.
Add a chrome grille to your lower front spoiler for that sporty look.

Only suitable for use in conjunction with the Caddy appearance pack.
For Caddy Maxi Life 2008 model year onwards.

Chrome side rails.
The chrome side rails not only look good, they also protect the sills from damage.

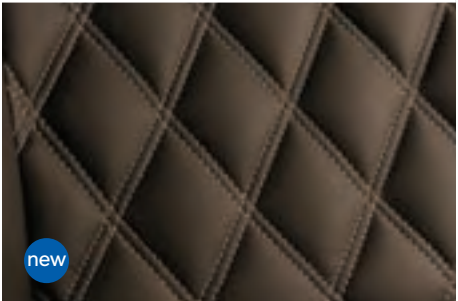

Sport & Styling

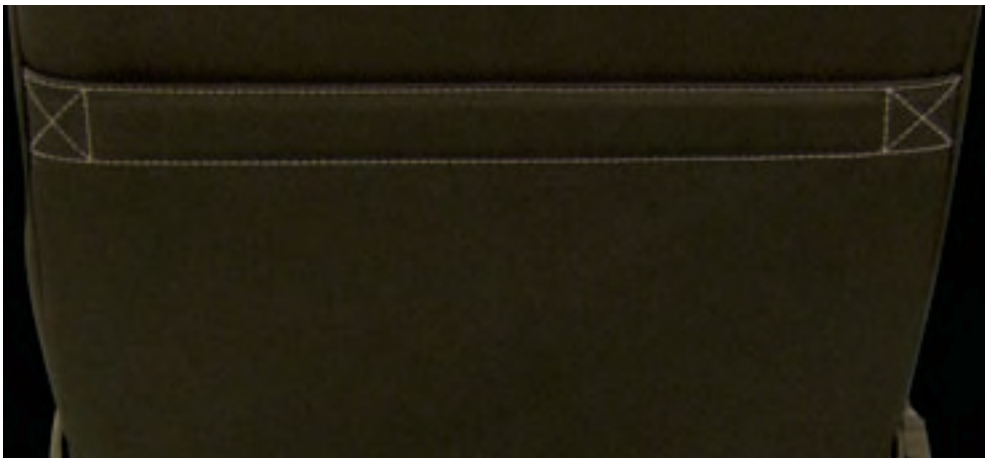

Leather pack 1.
Add not only a touch of luxury but also durability and practicality to your van with single colour, smooth and high quality leather with matching stitching and your choice of pillow or flat cushioning.

Leather pack 2.
Your choice of two tone upholstery, with either the side ‘fillet’ panels or the mid centre back and seat panels in complementary colours. Both designs are stitched in the contrasting colour and you can also choose between flat or pillow-effect cushioning.

Leather pack 3.
Add an extra touch of luxury with single colour leather with unique diamond quilted centre panels.

Map pockets.
Add more flexibility to your storage with matching leather map pockets. Perfect for storing maps or books.

Touring

Roof bar set.
Adding roof bars to your van can help increase your load capacity by 100kg/220lbs. Used in conjunction with other roof bar accessories you can easily meet your individual requirements.

Pullout ski and snowboard holder.
Used in conjunction with the roof bar set, this addition features a practical ‘pull out’ function making loading and unloading easier. Holds 6 pairs of skis or 4 snowboards.

Headrest coat hanger.
Simply attaches to the headrest to keep your clothing crease free.

Kayak holder.
Suitable for roof bars with T-slot section.

To be used in conjunction with the roof bar set.

Tailgate bicycle holder.
This genuine Volkswagen bicycle holder can carry up to three bicycles and is designed specifically for vehicles with a tailgate. Quick and easy to install, with Anti-Theft Protection.

Not to be used in conjunction with a tailgate/roof edge spoiler.

Thule Pacific 100 roof box.
370 litre capacity, 1,390mm long, 900mm wide, 390mm high.

To be used in conjunction with the roof bar set.

Roof mounted bicycle holder.
Pictured with one holder, however multiple bike holders can be used dependant on bike size and weight. For use with slotted roof bars only.

Touring (continued)

Luggage rack.
Used in conjunction with the roof bar set, the luggage frame is made from fully galvanised steel tubing making it sturdy and weatherproof.

Mini cool/warm box.
Secured using a standard seat belt, the mini cool/warm box has a 6 litre capacity, built in storage compartments, a removable strap and cools up to 20° below ambient temperature. It also heats up to 65° when you need to keep things warm.

Ezetil cool box.
Available with a 27 litre or 40 litre capacity, the Ezetil cool box cools up to 20° below ambient temperature. Connects via the cigarette lighter and features AES-system battery discharge protection. Must be stored in luggage area whilst in transit.

Ezetil converter. (not illustrated)
Enables the Ezetil cool box to be used in the home.

Ezetil 12V battery guard. (not illustrated)
Connects via the cigarette lighter, with built-in battery protection, to avoid flattening the vehicle battery whilst the engine is not running.

Caddy cruise control.
Ideal for controlling speed during long journeys, through speed restricted areas and whilst towing. Cruise control relieves the driver by maintaining the selected speed. The reset function automatically accelerates the vehicle to the previously chosen speed after braking and/or changing gear.

Only suitable for vehicles fitted with multifunction trip computer.

Front window deflectors.
To help deflect wind or objects from the front windows.

Towing

Towbar – detachable swan neck.
Adding a detachable towbar can increase your load capability without making it a permanent feature. The detachable swan neck towbar is only compatible with Caddy Maxi 13 pin electrics.

Caddy Maxi 13 pin electrics. (not illustrated) 
For use with Caddy Maxi towbars.

Towbar – fixed swan neck.
Adding a fixed towbar can increase your load capability. The fixed swan neck towbar is only compatible with Caddy Maxi 13 pin electrics.

Media

CD autochanger – 6 discs.
This genuine Volkswagen CD autochanger allows you to load up to 6 discs at once.

Also requires CD autochanger installation kit.

Cage for single DIN system.
(not illustrated)
This is required when replacing the standard head unit with a single DIN system.

Hands free phone kit.
This hands free phone kit is to be used in conjunction with the phone cradle (as pictured), which can be purchased separately.

iPod connector.
Simply clip your iPod into the connector hidden away in your glovebox and then enjoy all the basic functions of your iPod through your Volkswagen’s audio/radio controls. Compatible with iPod 3G, iPod 4G, iPod 4G U2 edition, iPod mini, iPod nano and iPod photo.

Suitable for radio units which cannot support the new Gateway 100.

Gateway 100 iPod connector.
(not illustrated)
The Gateway 100 has significant benefits, providing complete integration with Apple’s iPod range and AUX input. Control your music through your van’s audio/radio controls (or multifunction steering wheel where fitted).

Only suitable for use with RCD x00 head units without cluster.

Blueconnect hands free system.
Fully integrated voice activated Bluetooth® phone system. The system allows you to pair up to seven phones and it can store up to 32 names, holding up to four phone numbers per name. Available in black, beige or grey to suit the interior of your car.

Bluetooth Touch Phone kit.
Enjoy safe hands free calling throughout your journey. The Bluetooth Touch Phone kit operates through voice recognition with its quick and accurate text-to-speech function. The system can read out text messages in a clear and easy to understand manner providing all the information you need without looking at the screen.

Will require 2 Quadlock leads. Please see price list for details.
Product may differ slightly from illustration.

Safety

Separator grille/dog guard.
For installation behind rear seats to prevent forward movement of luggage. Easy installation.

Dividing grille/dog guard separator.
Suitable for use only with separator grille/dog guard as shown in image.

Warning triangle.
It is now a legal requirement to carry a warning triangle in your vehicle in Europe – make sure you have yours.

Luggage net.
The luggage net ensures that your luggage or loose items remain in place whilst in transit. Used in conjunction with vehicles load lashing rings in vehicle floor.

Now available on the Caddy Maxi.

High visibility safety vest.
One size fits all.

Reversing aid kit.
This kit includes four sensors which can be painted to match the body colour of your vehicle. Can be used with Caddy and Caddy Maxi detachable and fixed swan neck towbars, but not suitable for vehicles fitted with fixed flanged towbars.

First aid kit.
Pocket-sized safety: this small and handy first aid pouch is an ideal companion on holidays. Fully compliant and equipped in accordance with DIN 13164. The pouch measures only 26 x 15cm and is made from water-resistant material.

Protection – Interior

Front carpet mats.
Available in anthracite. Protect your vehicle floor with these front carpet mats.

Rear carpet mats.
Also available in anthracite to preserve the rear floor of your vehicle.

Front rubber mats.
Protect your vehicle floor with these front rubber mats. Mat fixings included within the kit.

Waterproof seat covers.
Protect your seats from the wet and dirt with these removable waterproof seat covers.

For driver and front passenger seats only.

Flexible boot liner.
A flexible loadliner that fits snugly into the rear luggage space with a useful 5cm high rim to stop the ingress of spillages.

Semi-rigid loadliner.
This practical loadliner is washable and has a non-slip, acid resistant surface. It has a raised rim of around 5cm which helps spillage containment.

Protection – Exterior

Headlight protectors.
This kit comes complete with two sets of adhesive decals to convert headlight beam for continental driving.

Headlight convertor decals.
The headlight convertor decals are only to be used in conjunction with the headlight protectors (above).

For guidance regarding the legislation for driving abroad please refer to The AA website, www.theaa.com/motoring_advice/overseas

Front and rear mudflaps.
To help protect your vehicle from what the road throws up. Opt to add just front mudflaps, rear or both.

Rear chrome strip.
This is a two-piece strip designed to fit exactly on models fitted with a tailgate, adding a finishing touch.

Front stone chip protection kit.
This kit comes complete with clear protective film for covering the leading edge of the bonnet and the leading edge of the roof above the windscreen.

On the image, areas marked in dark red show the protected areas.

Clear bumper protection strip.
Clear plastic film protection strip for the top side of the rear bumpers.

Rear bumper cover.
To help protect your rear bumper from daily wear and tear.

Designed for freedom and independence.

For comfort, space and sheer versatility, few vehicles can match the Caravelle. And with a little creative thought on your part, you can increase its flexibility further, by selecting from a wide choice of accessories and individualising it to your exact requirements.

Adding alloy wheels, a front spoiler or chrome radiator grille will enhance its already stylish looks, while luxurious leather seats will create a truly exclusive interior. A selection of touring accessories, such as a cooker and sink unit, ski and snowboard holder and tailgate bicycle holder gives you and your family even greater holiday freedom, and a towbar increases load capability.

Media accessories, such as an all-in-one DVD/CD/MP3 system, will keep young travellers happy, while a selection of safety accessories helps keep passengers and contents safe and secure. With a range of protective items to keep your Caravelle in pristine condition, it's up to you to select the accessories that best suit your lifestyle. Then visit your nearest Van Centre where they can quote you a fitted price. Leaving you free to enjoy the open road in style.

Sport & Styling

17" 'Suez' alloy wheel.
7.5J x 17 alloy wheel requires 235/55 R17 tyres.

18" 'Dakar' alloy wheel.

The luggage net ensures that your luggage or loose items remain in place whilst in transit. Used in conjunction with load lashing rings in vehicle floor.

Reversing aid kit.
This kit includes four sensors which can be painted to match the body colour of your vehicle.
Only suitable for use with towbars 7H0092101A and 7H0092155A.

First aid kit.
Pocket-sized safety: this small and handy first aid pouch is an ideal companion on holidays. Fully compliant and equipped in accordance with DIN 13164. The pouch measures only 26 x 15cm and is made from water-resistant material.

Warning triangle.
It is now a legal requirement to carry a warning triangle in your vehicle in Europe – make sure you have yours.

High visibility safety vest.
One size fits all.

Protection – interior

Rigid bootliner.
This practical bootliner is washable and has a non-slip, acid resistant surface. With a raised rim of around 5cm this item is perfect to stop the ingress of spillages.

Flexible bootliner.
A flexible bootliner that fits snugly into the rear luggage space with a useful 5cm high rim to stop the possibility of spillages.

One-piece front carpet mat.
Available in grey. Protect your vehicle floor with this one-piece mat.

Two-piece tailored rear carpet mats.
Available in grey. Preserve the rear floor of your vehicle with these tailored carpet mats.

Protection – exterior

Front and rear mudflaps.
To help protect your vehicle from what the road throws up. Opt to add just front mudflaps, rear or both.

Headlight protectors.
This kit comes complete with two sets of adhesive decals to convert headlight beam for continental driving.

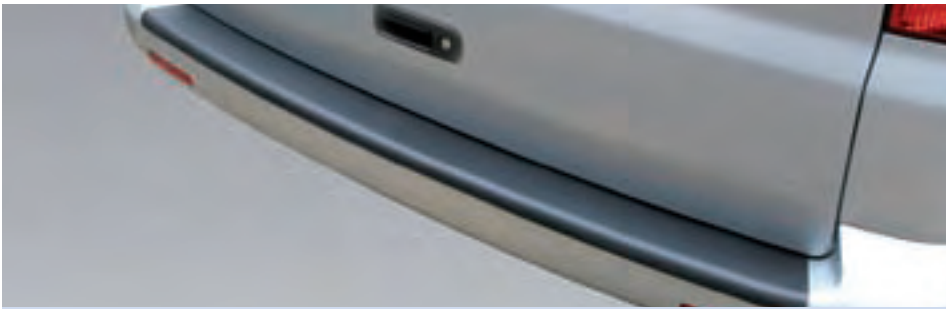

Headlight convertor decals.
The headlight convertor decals are only to be used in conjunction with the headlight protectors (above).

For guidance regarding the legislation for driving abroad please refer to The AA website, www.theaa.com/motoring_advice/overseas

Front stone chip protection kit.
This kit comes complete with clear protective film for covering the leading edge of the bonnet, front leading edges of both front wings and front bumper.

On the image, areas marked in blue show the protected areas.

Rear bumper cover.
To help protect your rear bumper from daily wear and tear.

Designed for travel.

Created for those who enjoy travel and adventure, the California offers space, reliability, technology and comfort. And now, thanks to an extensive range of accessories, a means of enjoying the open road in a style that’s customised to your exact needs.

A choice of alloys, chrome detailing and front spoiler gives you the opportunity to create a truly dynamic exterior, while leather seats ensure a luxurious interior. Naturally, touring accessories will be of major interest, with items such as a ski and snowboard holder, kayak holder and bicycle holder providing further opportunities for action and excitement, and a towbar increasing load capability.

Bluetooth phones keep you in touch throughout your travels and an iPod connector provides an easy way to enjoy your favourite music. With additional safety aids to help keep you safe, and protective items to minimise wear and tear, we offer everything you could need to enjoy 21st century travel on the road. Simply visit your local Van Centre who can also fit your accessories, just ask them to quote you a fitted price. Then, the world really is your oyster.

15" 'Tangis' alloy wheel.
6.5J x 15 alloy wheel requires 195/65 R15 or 205/60 R15 tyres.

17" 'Suez' alloy wheel.
7.5J x 17 alloy wheel requires 235/55 R17 tyres.

18" 'Dakar bi-colour' alloy wheel.
8J x 18 alloy wheel requires 235/50 R18 tyres.

Tyres not included.

Sport & Styling

Lower front spoiler.
Make the front of your van look the part with a lower front spoiler. Available in black, red, silver or primed.

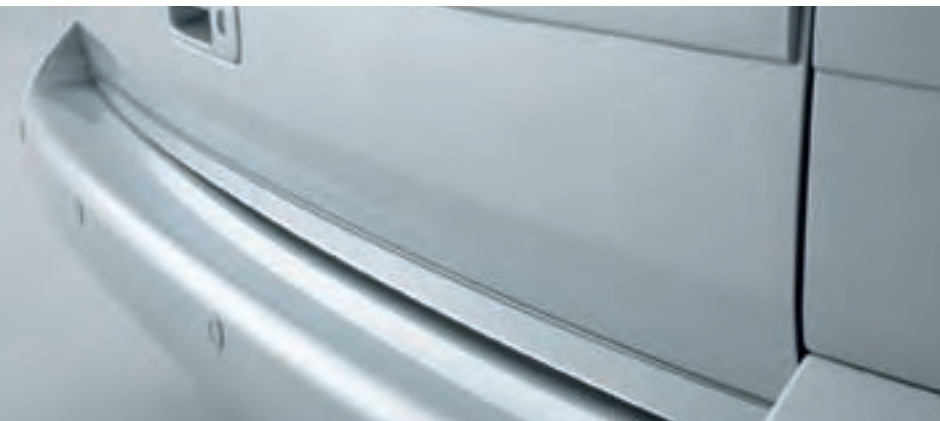

Cannot be used in conjunction with Parking Distance Control (PDC).
Cannot be used in conjunction with factory-fitted parking sensors.

Chrome radiator grille.
Style the front of your van by adding a chrome grille.

Covers existing grille.

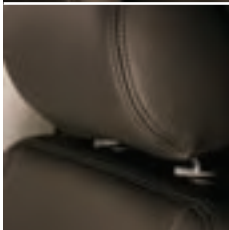

Front spoiler chrome grille.
Add a chrome grille to your lower front spoiler for that sporty look.

Covers existing grille.

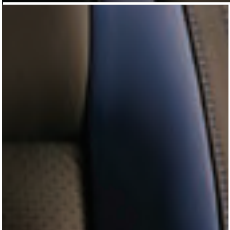

Tailgate trim.
Give your van the ultimate finish with a chrome tailgate trim.

Sport & Styling

Leather pack 1.
Add not only a touch of luxury but also durability and practicality to your van with single colour, smooth and high quality leather with matching stitching and your choice of pillow or flat cushioning.

Leather pack 2.
Your choice of two tone upholstery, with either the side 'fillet' panels or the mid centre back and seat panels in complementary colours. Both designs are stitched in the contrasting colour and you can also choose between flat or pillow-effect cushioning.

Leather pack 3.
Add an extra touch of luxury with single colour leather with unique diamond quilted centre panels.

California headrest covers.
Add personalised headrest cover embroidered or embossed with a logo of your choice. Available in quantities of 4 or 5.

Map pockets.
Add more flexibility to your storage with matching leather map pockets. Perfect for storing maps or books.

Touring

Roof bar set.
Adding roof bars to your van can help increase your load capacity by 100kg/220lbs. Used in conjunction with other roof bar accessories you can easily meet your individual requirements.

Only suitable for vehicles with standard metal roof.

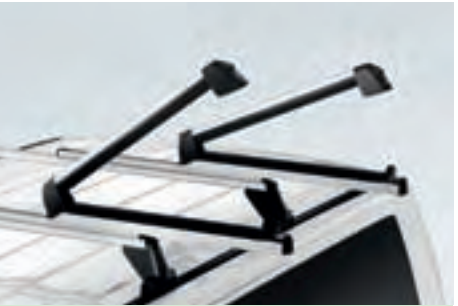

Kayak holder.
Suitable for roof bars with T-slot section.

For use in conjunction with the roof bar set.

Luggage rack.
Used in conjunction with the roof bar set, the luggage frame is made from fully galvanised steel tubing making it sturdy and weatherproof.

Pullout ski and snowboard holder.
Used in conjunction with the roof bar set, this addition features a practical 'pull out' function making loading and unloading easier. Holds 6 pairs of skis or 4 snowboards.

Front window deflectors.
To help deflect wind or objects from the front windows.

Tailgate bicycle holder.
For transporting up to four bicycles. 60kg load limit. Cannot be used in conjunction with rear roof spoilers.

Not to be used in conjunction with a tailgate/roof edge spoiler.

Thule Pacific 100 roof box.
370 litre capacity, 1,390mm long, 900mm wide, 390mm high.

For use in conjunction with the roof bar set.

Touring (continued)

Towing

Media

Ezetil cool box.
Available with a 27 litre or 40 litre capacity, the Ezetil cool box cools up to 20° below ambient temperature. Connects via the cigarette lighter and features AES-system battery discharge protection. Must be stored in luggage area whilst in transit.

Ezetil converter. (not illustrated)
Enables the Ezetil cool box to be used in the home.

Ezetil 12V battery guard.
(not illustrated)
Connects via the cigarette lighter, with built-in battery protection, to avoid flattening the vehicle battery whilst the engine is not running.

Towbar – detachable swan neck.
Adding a detachable towbar can increase your load capability without making it a permanent feature. The detachable swan neck towbar is only compatible with 13 pin towing electrics.

Mini cool/warm box.
Secured using a standard seat belt, the mini cool/warm box has a 6 litre capacity, built in storage compartments, a removable strap and cools up to 20° below ambient temperature. It also heats up to 65° when you need to keep things warm.

13 pin towing electrics. (not illustrated)
For use with California towbars.

Towbar – fixed swan neck.
Adding a fixed towbar can increase your load capability. The fixed swan neck towbar is only compatible with 13 pin towing electrics.

Bluetooth Touch Phone kit.
Enjoy safe hands free calling throughout your journey. The Bluetooth Touch Phone kit operates through voice recognition with its quick and accurate text-to-speech function. The system can read out text messages in a clear and easy to understand manner providing all the information you need without looking at the screen.

Will require either Quadlock or ISO leads depending on the model year of your vehicle.
Product may differ slightly from illustration.

Gateway 100 iPod connector.
(not illustrated)
The Gateway 100 has significant benefits, providing complete integration with Apple's iPod range and AUX input. Control your music through your van's audio/radio controls (or multifunction steering wheel where fitted).

Only suitable for use with RCD x00 head units without cluster.

Blueconnect hands free system.
Fully integrated voice activated Bluetooth® phone system. The system allows you to pair up to seven phones and it can store up to 32 names, holding up to four phone numbers per name. Available in black, beige or grey to suit the interior of your car.

iPod connector.
Simply clip your iPod into the connector hidden away in your glovebox and then enjoy all the basic functions of your iPod through your Volkswagen's audio/radio controls. Compatible with iPod 3G, iPod 4G, iPod 4G U2 edition, iPod mini, iPod nano and iPod photo.

Suitable for radio units which cannot support the new Gateway 100.

Safety

High visibility safety vest.

One size fits all.

Warning triangle.

It is now a legal requirement to carry a warning triangle in your vehicle in Europe – make sure you have yours.

Reversing aid kit.

This kit includes four sensors which can be painted to match the body colour of your vehicle.

Only suitable for use with towbars 7H0092101A and 7H0092155A.

First aid kit.

Pocket-sized safety: this small and handy first aid pouch is an ideal companion on holidays. Fully compliant and equipped in accordance with DIN 13164. The pouch measures only 26 x 15cm and is made from water-resistant material.

Protection

Front stone chip protection kit.

This kit comes complete with clear protective film for covering the leading edge of the bonnet, the front leading edges of both front wings and front bumper.

On the image, areas marked in green show the protected areas.

Headlight protectors.

This kit comes complete with two sets of adhesive decals to convert headlight for continental driving.

Headlight convertor decals.

The headlight convertor decals are only to be used in conjunction with the headlight protectors (above).

For guidance regarding the legislation for driving abroad please refer to The AA website, www.theaa.com/motoring_advice/overseas

Rear bumper cover.

To help protect your rear bumper from daily wear and tear.

Front and rear mudflaps.

To help protect your vehicle from what the road throws up. Opt to add just front mudflaps, rear or both.

Waterproof seat covers.

Protect your seats from wet and dirt with these removable waterproof seat covers.

Available for driver and passenger seats only and driver and passenger seats, twin rear bench and single rear passenger seat.

One-piece front carpet mat.

Available in grey. Protect your vehicle floor with this one-piece mat.

Brandrup

Air-safe tailgate hook.
Allows the tailgate to be opened by 10cm to allow airflow into vehicle. Vehicle can be locked with the tailgate hook in place.

Cupboard window storage – 2 bags.
This 2 bag set adds additional storage to the kitchen area. Includes elasticated bands to store small spice jars.

Anti-slip mats for California cupboards.
Complete set of non-slip mats for cupboard shelves. Reduces noise and movement within the cupboards during transit.

Driver's seat backrest – 6 bags.
Maximise the storage on the back of the driver's seat with this 6 bag backrest which hooks over the driver's seat.

Passenger seat backrest – 2 bags and multibox.
Maximise the storage on the back of the passenger seat with this 2 bag and multibox backrest which hooks over the seat. Fits round the kitchen unit.

Other storage options are available for wardrobe and bench seat drawer. Please see price list for further details.

Protective cover for rear mattress.
Protect the rear mattress from dirt and damage with this protective cover. It is non-slip, robust and wipeable.

California 8 piece cooking set.
Cooking set includes 6 pans, 2 lids and 2 handles. All pieces stack into each other saving valuable space and are held together with 2 spiral spring clamps.

Aeration for cabin windows.
Pair of aeration ducts provided for driver and passenger windows. Product fits into top of the window and the window should be moved slowly into place to fix.

Cutlery tray for California drawer.
Specially designed for the California drawer. Allows cutlery to be separated and can reduce noise in transit.

Clothes hooks with towel rail.
Consists of 2 clothes hooks with elasticated cord between. Ideal for drying tea towels.

Bench rucksack.
Attaches to the rear of the bench seat and offers 300 litres of storage, great for storing bedding and when empty can remain in place when bench seat is folded down into the bed.

ISO-TOP pop-up roof liner.
Made from GORE membrane the material is breathable, windproof and flame retardant. For use in temperatures between 0-30°C. Can remain in roof when closed for travel.

Camping plate holder.
This practical plate holder can hold up to 8 plates and can be adjusted to hold plates between 200mm and 300mm in diameter.

Fly net for sliding door.
Net covers entire sliding door and can be unzipped to allow entry into the vehicle without removing it. Can be tied back when not in use.

ISO-TOP pop-up roof insulation.
Made from a thicker fleece material, this roof insulation is breathable and flame retardant. Suitable for temperatures down to -3°C. Caution: Must be removed before closing the roof.

Brandrup (continued)

California folding bed mattress.
Additional mattress for the folding bed increases comfort. The mattress folds into 3 sections and can be easily stored on top of the rear mattress when not in use.

ISOLITE® insulation panels cabin.
Includes panels for front windscreen and driver's and passenger windows.

Also available for tailgate. Please see price list for further details.

Rear passenger carpet mat.
Designed specifically for the passenger compartment this carpet allows the bench seat to move whilst in place.

Other mats are available for bench seat drawer and luggage area. Please see price list for further details.

Water fill-in set.
Attaches to the top rail on the vehicle allowing easy filling of the water tank. Strap and filling hose are included, foldable water tank is available separately.

Please see price list for further details.

Roll-out side for original awning.
Add a side panel to your factory-fitted awning. Sold as individual sides, but two additional panels can be fitted to the factory awning.
